Dear Sir/Madam,

Focus Lighting And Fixtures Limited (“The Company”) hereby wish to inform you and bring to your esteemed notice the following development pertaining to our Organisation:

Subsequent to a comprehensive review conducted by the S.O.R. Review Committee of the Electrical Wing, Roads & Buildings (R&B) Department, Government of Gujarat, we are pleased to inform that the Company has been successfully empanelled and its eligibility duly recognized for listing for the financial year **2025–2026**, valid up to **31st March, 2026**.

The said empanelment has been accorded for the following:

- Brand Name: “**PLUS LIGHT TECH**” and “**TRIX**”;
- Products/Models: Those that confirm to the requisite standards and specifications prescribed by the relevant government authorities and have been individually assessed and approved based on merit.

As a result, the Company’s full range of indoor and outdoor lighting fixtures has been included under Category III, making it eligible for use in various government infrastructure and development projects—particularly, but not limited to, roadways, transportation corridors, and Public Sector Undertaking (PSU) facilities executed by the R&B Department of the State of Gujarat and across PAN India, where the consideration will take place with respect to Central and State.

This inclusion is expected to materially enhance the Company’s participation in public sector undertakings and aligns with its strategic objectives of expanding its footprint in government-driven infrastructure and urban lighting projects.

With our state of technology, manufactured in India, we can help government infrastructure upscale with accurate illuminations.

We request you to kindly take the above disclosure on record.

The date and time of occurrence of Event/Information is April 24, 2025 at 12:10 PM.

You are requested to kindly take the same on records.

**Thanking you,
Yours faithfully,**
